WORK EXPERIENCE

Senior Web Developer (Team Lead) **08/2023 - Continue**

Encoders Studio

Work as a team lead at Encoders Studio, I developed, customized, and maintained websites on platforms like WordPress, Shopify, Wix, hubspot, Square Space, Suitedash, Go High level and Webflow. I built and enhanced user interfaces using HTML, CSS, JavaScript, and React, while also managing server-side applications with PHP and React for scalable solutions. My role included setting up e-commerce features on platforms such as Shopify, WordPress, Wix and Square Up. I optimized websites for speed, technical SEO, performance, lead web development projects from start to finish, collaborated with SEO team, design and marketing team, resolved technical issues, and also provided training to interns on CMS platforms and front-end technologies.

Senior Web Developer & SEO (Team Lead) **11/2022 – 07/2023**

CSG Pakistan

Work as a team lead. Developing projects based Websites and Web Applications using HTML, CSS, JavaScript and JQuery with Responsive design in WP themes. Working on WordPress, Shopify, Wix, and React.js and also be collaborating with the other team members such as the Content Team as well as the Design Team to refine the website and fix the technical issues**.**
Also working on SEO & manage the Google Analytics report of projects.
